Dear Prospective Member:

Thank you for your interest in the Boulder Rifle Club (BRC).

The BRC is a member owned, not for profit Colorado Corporation with facilities in Boulder County. The club is an NRA affiliated club and was chartered in 1923.

In recognition of the limited range space available and to insure our members safety and enjoyment the BRC has a self-imposed membership limit. We maintain a waiting list, currently over 700 individuals, wishing to become members. By submitting your application your name will be added to the list in the order received.

Recognizing the lengthy delay for the opportunity to become a full member the Board of Directors have offered alternatives to allow for participation in club activities.

BRC Lite:

The BRC Lite program allows individuals (there are no family packages) to participate in all BRC classes, public matches, and events at member rates. In addition the Lite member receives a monthly newsletter with the current schedule of events. BRC Lite members also pay discounted fees on public range days.

Junior Membership:

Junior members are not included in the membership limit. Junior members are entitled to member rates for all programs and classes and receive a monthly newsletter. Juniors do not have unsupervised range privileges, but may shoot free of charge on public range days.

Newsletter:

Individuals may subscribe to the monthly newsletter but receive no additional benefits.

Waiting List:

There is no charge to be placed on the waiting list. When an opening becomes available for your regular membership you will be notified (as long as we have your current contact information).
