Dear Prospective Member:

Thank you for your interest in the Boulder Rifle Club (BRC).

The BRC is a member owned, not for profit Colorado Corporation with facilities in Boulder County. The club was chartered in 1923 and is a NRA affiliated club. In recognition of the limited range space available and to insure our members safety and enjoyment the BRC has a fixed membership limit. The current waiting list has over 300 individuals wishing to become members. By submitting your application your name will be added to the list in the order received.

Recognizing the lengthy delay for the opportunity to become a full member the Board of Directors have offered alternatives to allow for participation in club activities.

Boulder Lite:

The Lite program allows individuals (there are no family packages at this time) to participate in all BRC classes, public matches, and events at member rates (typically 50% of non-member rates). In addition the Lite member receives a monthly newsletter with the current schedule of events.

Junior Membership:

Junior members are not included in the 500 membership limit and do not have unsupervised range privileges. Junior members are entitled to member rates for all programs and classes and receive a monthly newsletter.

Newsletter Membership:

A Newsletter member will receive a monthly newsletter but receives no additional benefits.

Waiting List:

When an opening becomes available for your regular membership you will be notified. New members are required to pay a one-time initiation fee in addition to the annual dues. All regular members (under age 65) are required to perform one workday per calendar year. Initiation fees and dues are voted on annually by the membership. You will be notified of the current costs when your name comes to the top of the wait list.

An abbreviated list of the classes and programs is included for you information.
